Third Party Information

A Third Party is an organization that contributes to content development, certifies the activity for non-physician audiences, or is the requesting organization's designated payee. Third Parties should be organizations, not individuals (ie, consultants or faculty members who contribute to content development). Third Parties that meet these criteria must be registered in the system and associated with your organization in order to be included in the grant application.

Third Parties that were added to your profile during registration or previous grant applications will show up in the drop down menu below.

If you plan to collaborate with a Third Party that meets the criteria above, but have not yet added them to your profile (i.e., organization does not appear in the drop down menu below), you cannot proceed any further with your application. Please add your Third Party via "My Account" and then Log-out.

TO ADD A THIRD PARTY: Click on the link below to access your organization's profile. Select the tab titled "Third Party" and enter the required information. The system will automatically notify the Third Party that they need to register. Please follow-up with your Third Party to ensure timely registration. Once the Third Party has registered and confirmed the association, you may then continue with your application.
